**TERMINAL DISCLAIMER**

Dear Sir:

Your petitioner, BIOLASE TECHNOLOGY, INC., a Delaware corporation, by its attorney, KENTON R. MULLINS, of record in the above-identified application, represents that it is the assignee, as shown by the assignment recorded in the U.S. Patent and Trademark Office on August 13, 2003 at Reel/Frame 014411/0413 (3 pages), of the entire right, title and interest in and to the above-identified application.

Pursuant to 37 CFR 3.73(b), your petitioner, as assignee of the above-identified application, hereby states that the above-noted assignment, the evidentiary documents on which ownership of the above-identified application is established, has been reviewed. Further, your petitioner hereby certifies that, to the best of your petitioner's knowledge and belief, title to the above-identified application is in your petitioner, as assignee seeking to take the action in this Terminal Disclaimer.

Application No. 10/624,847  
Filed July 22, 2003

Docket: BI9322CON

Your petitioner, BIOLASE TECHNOLOGY, INC., hereby disclaims the terminal part of claims 1 and 29-87 of any United States patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent No. 6,616,447 and hereby agrees that claims 1 and 29-87 of any United States patent so granted on the above-identified application shall be enforceable only for and during such period that said claims of said patent are commonly owned with U.S. Patent No. 6,616,447, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent No. 6,616,447 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of common ownership stated above.

Dated this 24<sup>th</sup> day of June, 2005

Respectfully submitted,
